

31st International Congress of Actuaries

4 – 8 June 2018 | Berlin, Germany | www.ica2018.org

Dear Sir or Madam,

This month's newsletter is packed with information: We have drawn the winner of the campaign "I am 100,000", arranged room allocations in additional hotels nearby the ESTREL, have good reasons why you should become an IAA section member and need your support to find the best ICA 2018 formula.

This is the 100,000th actuary!

On 28 February 2018, the "I am 100,000" prize draw ended with the great result of more than 800 selfies submitted, representing actuaries from 55 countries and 28 translations of the "I am 100,000" hand. And among all these selfies we found the 100,000th actuary!

If you want to find out who the face of the actuarial community is, watch our video. We thank Zurich for supporting the prize draw for "I am 100,000".

Circle of Supporters

Dr. Klaus-Peter Feld, Executive Director of the Institute of Public Auditors in Germany (IDW)

"Solvency II, IFRS 17 and other new challenges add complexity to the world of actuaries and make the profession of an actuary even more demanding. The ICA 2018 hosted by the DAV in Berlin provides a great opportunity to discuss the latest developments with expert colleagues and to prepare yourself for the upcoming tasks."

Become an IAA section member

The International Actuarial Association (IAA) is structured along the seven special-interest sections for individual actuaries. The aim of the sections is to promote actuarial knowledge and research and to facilitate the international exchange of views, advice and practical information among actuaries and experts so as to encourage global actuarial development.

A section membership is open for anyone who is interested. The very affordable annual fee is \$50.

Benefits for all members include:

- AFIR/ERM, ASTIN, IACA and LIFE members can access the VICA content at no extra cost (more than 150 hours of content, live stream and content to download)
- Webinars
- Discounted registration fees for colloquia
- ASTIN, AFIR/ERM, LIFE and PBSS members receive free access to the ASTIN Bulletin
- Section members have exclusive access to section virtual libraries and reference lists
